OFFICER SAFETY / DANGEROUS / SEX OFFENDER

MILES SHOUMAKE
aka Captain Mark Roy Everest
aka Captain McMillan
W/M DOB 8-21-1969
6'4" 210 LBS

MILES SHOUMAKE was contacted on 5-7-2015 outside of Five Guys Burgers in Lincoln (Case # B5-039867, IR only). He was wearing a black Army t-shirt, jeans, tan combat boots and had an Army ACU camo pattern backpack. He claimed to be currently serving in the US Army as part of the 82nd Airborne Division. SHOUMAKE was unable to produce any photo ID of any kind, much less a valid CAC Military ID. None of the information he provided regarding military service was accurate and it became very obvious to the Officer that SHOUMAKE is NOT currently in the military and probably never has been. He appeared to be dealing with some type of mental illness &/or drug addiction and became very aggressive/agitated once at detox.

On 5-15-2015, a Youtube video surfaced featuring SHOUMAKE at the Flying J Truck Stop in Gretna wearing a near-complete set of Army ACU's. He was attempting to solicit customers for money by telling them he had just come back from Iraq. (Click this link to view the Youtube Video: ["Stolen Valor – Gretna, NE."](#))

On 5-16-2015, SHOUMAKE was contacted at the Embassy Suites in Lincoln (Case # B5-043009). He was again dressed in military attire and was extremely intoxicated. He was very uncooperative with officers and was clenching his fists and grinding his teeth. It was determined that he was very impaired and was placed into protective custody. He is a Lifetime Registered Sex Offender out of Nevada for Sexual Assault of a Child under age 14. He currently has a warrant for Failure to Register as a Sex Offender out of Nevada, but they will not extradite. Based on his contacts with LPD on 5-7 & 5-16 as well as the documented video on Youtube on 5-15, SHOUMAKE has obviously been in Nebraska for longer than three days, however, he has yet to register his Sex Offender status in Nebraska.

Upon being transferred to jail on 5-16, SHOUMAKE started yelling at officers telling them that he was trying to leave Nebraska, but now he was going to stay in town and 'fuck a bunch of kids.' He continued on his rant later admitting that he may have been here '5 or 6 days' but didn't know the Nebraska Sex Offender laws.
